

# T5 II TRUE WIRELESS

# Klipsch®

The T5 II True Wireless earphones provide unrivaled comfort, lasting battery life and uncompromising sound quality.

## LEGENDARY SOUND + GREAT FIT

After 60+ years of making legendary loudspeakers, we built upon our bold audio heritage to revolutionize the headphone industry. Since 2007 we have been creating the most innovative headphones on the market. We are the performance and comfort winners. Period.

The same advanced acoustic engineering and industrial design from our legendary home theater speakers provide the performance, voice and design for the T5 II Series earphones. They are engineered for pure performance and designed to be the best sounding most comfortable earphones on Earth and the embodiment of legendary Klipsch sound.

## PATENTED OVAL EAR TIPS

Klipsch T5 II earphones include 6 pairs of patented contour ear tips that are designed to accurately sit inside the ear canal. These soft oval silicon tips reduce ear fatigue, provide the ultimate comfort and an excellent seal for noise isolation and superior bass. They fit better, they feel better, and only Klipsch has them.

## HIGH CLARITY DYNAMIC DRIVER

Engineered from the ground up to deliver powerful performances from the smallest package, the T5 II True Wireless dynamic driver combines high output, neutral sound and deep bass extension. The second generation T5 driver utilizes an all-new diaphragm with minimal thickness to enhance clarity and improve audio quality across the entire frequency spectrum.

## BATTERY LIFE + CHARGING CASE

T5 II True Wireless provides 8 hours of battery life on a single charge and up to 24 additional hours with the charging case, giving you the freedom to take calls and listen all day long. The slim, pocket-friendly brushed metal battery case not only charges your earphones but protects them when not in use.

## TRANSPARENCY MODE

This mode is designed to allow sound from the outside world into your ears, so you know what's going on around you.

## BEAMFORMING MICROPHONES WITH cVc®

Four beamforming microphones integrated with clear voice chat automatically enhances voice clarity and actively reduces environmental noise to ensure your calls are loud and clear.

## DIGITAL ASSISTANT READY

Instantly connect to the digital assistant of your choice with one press.

## SIGNAL-BOOST EXTERNAL ANTENNA

Delivers a high-quality, seamless connection between earphones and your device while minimizing the footprint in your ear.

## BLUETOOTH 5

Easily pair to your device for a quick, wireless connection.

## SWEAT/WATER RESISTANT

IP67 rated means these earphones will withstand the elements

## SPECIFICATIONS

<b>STYLE</b>	In-Ear Monitor
<b>DRIVER DESIGN</b>	Dynamic Moving Coil Micro Speaker
<b>DRIVER DIAMETER</b>	5.0 mm
<b>MIC/REMOTE</b>	cVc 8.0 Quad-mic
<b>FREQUENCY RESPONSE</b>	10Hz-19kHz
<b>NOISE ISOLATION</b>	-22dB
<b>INPUT CONNECTIONS</b>	Bluetooth
<b>BATTERY (EARPIECES)</b>	50 mAh
<b>BATTERY (CHARGING CASE)</b>	360 mAh
