The new compact S3 power amplifier - efficient & audiophile!

The new Amp Box S3 offers one stereo RCA input and delivers powerful and room-filling sound to every loudspeaker. The new PCB concept & sophisticated topology achieves less distortion and a better signal to noise ratio.

We designed this amp to match the sound characteristics of a tube amplifier as close as possible. Amp Box S3 brings you a rich and musical sound with an analogue touch of warmth into your living room. It is also the perfect solution for your desktop nearfield monitor speakers due to its size and superior spacious sound stage.

If you want to use a bi- or tri-amplification setup, you can use the trigger outputs to connect further power amplifiers.

Application examples:

- HiFi Amplifier for 10-15 m² rooms
- Audiophile desktop nearfield monitor amp
- Streamer power amp upgrade
- Multiroom power amp solution
- Home cinema power amp upgrade
- In-wall or ceiling speaker amp

Outstanding quality made in Europe!

Amp Box S3 comes in a simple luxurious design with a stable housing made of aluminium, which effectively protects against interferences and vibrations! With its clean and beautiful finish Amp Box S3 will fit into every HiFi setup. If your setup requires the amp to be hidden, it is easily done due to its small size.

The new Amp Box S3 is designed and produced in Europe and is available in a black & silver finish.
